Pyatigorsk, Russia

In October, 2005, Dr. Bowers participated in a conference on Caucasus affairs which was hosted by Pyatigorsk State Linguistics University. While there, he lectured to PSLU students (pictured on the left) and made preliminary arrangements for a partnership with the university that would develop opportunities for student exchanges.

An important step in the development of our relationship with Pyatigorsk State Linguistics University took place in the 2008-2009 academic year. During this time LU student Kyle O'Neil attended Pyatigorsk in order to study the Russian language as well as Russian government and history.
